Subject: RE: Final Regulations RATS ID 2015-3

Hi Judy, have these regulations been adopted yet? If so, when? If not, please submit them when they are adopted as final. We don't typically review proposed regulations more than once.

Thanks,
Michelle

Ms Beardsley:

We updated the Louisiana state regulations to remain equivalent with the NRC's updates, namely RATS ID 2015-3. Please see the accompanying attached cover letter, final rule, and crosswalk documents.

This is a link to our Radiation Protection regulations: https://deg.louisiana.gov/assets/docs/Legal_Affairs/ERC/33v15Rad.docx.
