Mr. A. Giambusso  
Deputy Director for Reactor Projects  
Directorate of Licensing  
Office of Regulation  
U. S. Atomic Energy Commission  
Washington, DC 20545

SUBJECT: THREE MILE ISLAND UNITS 1 AND 2  
DOCKET NOS. 50-289 AND 50-320  
QUALITY ASSURANCE ORGANIZATION

Dear Mr. Giambusso:

Attached please find a copy of a letter sent to you from his office on February 15, 1974. Discussions between members of our staff and your staff convince us that this letter was lost in the mail.

A letter concerning Unit 1 (Docket 50-289) was mailed on February 21, 1974 accompanying seventy-five copies of amendment 45 referenced in the attached letter.

The FSAR for Unit 2 (Docket 50-320) was filed on April 4, 1974 and it is expected that the review of the FSAR will permit identification of any questions which may remain on this subject.

Very truly yours,

R. C. Arnold  
Vice President
