Attached is the RWR for NIST. Reggie is headed out on rotation soon and this site is an opportunity for Ken Kline to assist Shawn Harwell in doing his first fuel cycle DFP review.

Hi Chris

FYI: Attached is a Reviewer Work Request (RWR) requesting Risk and Technical Analysis Branch support for the review of the National Institute of Standards and Technology triennial update to their decommissioning funding plan.

Action: Please review the RWR and provide a response by Monday, October 7, 2019. If you need additional time, please let Ty Naquin (Lead PM) and me know.

Thanks,

Jake
