SECRETARY

MEMORANDUM TO: Margaret M. Doane  
Executive Director for Operations

FROM: Annette L. Vietti-Cook, Secretary 

SUBJECT: STAFF REQUIREMENTS – SECY-18-0060 – ACHIEVING  
MODERN RISK-INFORMED REGULATION

The Commission has approved the staff's request to withdraw this SECY paper.

The staff requested to withdraw this paper because new information and additional staff activities have superseded the basis for many of the recommendations in the paper.

Going forward, the staff will provide periodic briefings to the Commission and Commission Assistants on these continuing transformation efforts, which will include an update from the staff at an upcoming public Commission meeting.
