Ref: Docket 50-184, Facility License TR-5, National Bureau of Standards Reactor (NBSR)

Sirs and Madams:

In response to our License Amendment Request (LAR) of July 5, 2019, we received a response from NRC dated October 2, 2019, requesting additional information to allow the NRC to begin the review of our LAR. This request was for a full updated version of the NCNR physical security plan. This plan is enclosed.

Please contact the undersigned at (301) 975-6260 if there are any questions.

Respectfully submitted,

Thomas Newton, Ph.D.
