Subject: Notice of Organization Change – Senior Vice President
and Chief Nuclear Officer

Effective October 7, 2019, DTE Electric Company (DTE) has appointed Mr. Peter Dietrich, to the role of Senior Vice President and Chief Nuclear Officer (CNO). Mr. Dietrich replaces Mr. Paul Fessler in this position. The Fermi 2 Updated Final Safety Analysis Report (UFSAR) states that one individual may hold both the Senior Vice President and CNO and the Site Vice President – Nuclear Generation positions. At this time, Mr. Dietrich will also assume the authority and responsibilities of the Site Vice President – Nuclear Generation consistent with the Fermi 2 UFSAR. During a short-term transition period, Mr. Fessler may continue to perform certain duties as delegated by Mr. Dietrich.

All correspondence for the CNO should be directed to Mr. Dietrich.

No new commitments are being made in this submittal.

Should you have any questions or require additional information, please contact Mr. Jason R. Haas, Manager – Nuclear Licensing, at (734) 586-1769.

Sincerely,

A handwritten signature in black ink, appearing to read "P. Dietrich", written over a large, stylized circular flourish.

Peter Dietrich
Senior Vice President and CNO
