Comments: This meeting will be open to the public for approximately the first half hour and the last 15 minutes. The NRC will provide a public update on ATF licensing at the beginning of the meeting. The public will have an opportunity to comment at the end of the initial open portion of the meeting. After the open portion of the meeting, there will be a closed portion that is not open to the public because GNF will be discussing proprietary information. The meeting will be opened back up to the public at the end for recap and the opportunity for public comment. Please see the agenda for details.
