Subject: Request for Amendment to Radioactive Materials License (RML) License No. 25-35244-01

Dear Ms. Hill,

We would like to submit an amendment request for License No. 25-35244-01. This letter shall document the organization name change from Copper Environmental Consulting to Prism Response LLC (of which Copper Environmental Consulting is a Division). Additionally, the Radiation Safety Officer (RSO) is currently listed as Shelby Fortune per Condition 12 of the license. Effective immediately, our new RSO candidate will be Andie Hogan. Please amend our license to reflect these changes.

Ms. Hogan currently serves as a Staff Engineer with field experience operating a portable nuclear gauge. She received a B.S. degree in Chemical Engineering from Montana State University. Included with this letter is a copy of her completed Portable Nuclear Gauge Safety Certification and HazMat Training Certification.

Thank you for your assistance. Should you have any questions regarding this matter please feel free to contact our office at (406) 563-2700.

Sincerely,

Prism Response LLC (of which Copper Environmental Consulting is a Division)

Dave McCarthy
Executive Vice President

Shelby Fortune
Current RSO

Andie Hogan
Appointed RSO

Enclosures:

Andie Hogan – Portable Nuclear Gauge Safety Certificate; HazMat Certification

APNGA Portable Nuclear Gauge Safety & U.S. D.O.T. Hazmat Certification Class

Certificate of Completion to:

Andie Hogan

HAZMAT refresher training is required within 3 years after today's date:

November 26, 2018

This course covers training criteria of NUREG 1556, The Agreement States,
and 49 CFR 172, Subpart H.

The Company RSO completes the training requirements by familiarizing the employee with:

- State specific regulations including introduction to the state regulatory website
- The company radiation safety program, specifically gauge safety operating and emergency procedures
- A tour of storage area with emphasis on security, documents and postings
- Loading, security and transporting gauges in company vehicles
- Hands-on training with the gauge and methods in use by the company
- Introduction to gauge safety content on gauge manufacturer website
- Certificate covers both Gauge Safety and USDOT HAZMAT requirements

The acknowledgement and signature of the RSO/Official makes the training and certificate relevant and valid.
