Good morning DJ,
After review of the outage schedule, I'm planning for a Wed- Wed inspection, 10/30 -11/6.
Please adjust entrance and exit meetings accordingly.

Here are the additional items referenced by the initial request for information
(ML19226A371), e.g. part B:

Weld reviews (RFI, B.1):
WO 4709411
WO 4668162
WO 1882842
WO 1882847

IRs (RFI, B.2):
IR 4071740
IR 4070767
IR 4074270
IR 4075547

NDE reports with relevant indications (RFI, B.3):
D2R25-UT-030 -I guess you provided all the associated NDE reports for component N20A-6 already. Please verify I have all NDE reports and associated corrective actions.

Thank you.
Regards,
Matt
