**Subject:** [External\_Sender] RE: FYI - Status of SNC Fleet, Hatch, and Vogtle Licensing Actions

John,

We request a small correction to the list.

For Hatch NFPA-805, we have responses due on October 7 (as correctly listed), and another on December 6. Since the December 6 NFPA-805 RAI response affects the response to 50.69 RAI 03 and RAI 12, we'll provide these 50.69 responses shortly after (i.e., by December 20) the December 6 NPFA-805 RAI responses.

Thanks,

Tim
