Good afternoon Beth,

As you are aware, GE Hitachi Nuclear Energy (030-36792) has requested a new Reviewing Official since the current RO has resigned from the Company. GE Hitachi would like to nominate Mr. Jeffrey A. Smyly as the new RO. Mr. Smyly has been approved based on my review of his criminal history results and the criteria for making a determination of an RO.

Once the approval letter has been completed, please forward a copy to me for my records.

Regards,

Doreen Turner
