Subject: Quarterly distribution report for Q3 2019, WN-I0401-1

Per 10 CFR 32.52, we are sending the following quarterly report to you:

This letter is to inform you that during the third quarter of 2019 (July 1 to September 30,) Panther Systems Northwest, Inc. (license number WN-I0401-1) did not ship any sealed radioactive sources in generally licensed devices from our facility here in Washington state.

Quarterly reports will be generated to inform you of any future source shipments. If you have any questions or concerns, please feel free to contact our office.

Sincerely,

John Francis
Radiation Safety Officer
