Importance: High

Thank you Jessica,

Sudha, please process the whole package in ADAMS and provide us with the final closeout.

Thanks,
Yessie

Hello, DEX has looked at the incoming and determined that a response to Mr. Gurdziel is not required.
This closes out DEX action for LTR-19-0390-1. The incoming can be profiled as non-sensitive, public.

Thank You,
Jess

Tom Gurdziel, E-mail re: Article on Advanced Generation Digital I & C in the July - August 2019 issue of Nuclear Plant Journal

For Appropriate Action.

NRR to determine if a response is needed. If response is appropriate, please be sure to include your response to the ADAMS (ML19275D623) and process accordingly. Note incoming (ML19275D621) must be made publicly available for immediate release in ADAMS per SECY. If it is determined the incoming should not be made public, please let OEDO know as soon as possible. **NRR should ensure that all contents for this ticket, that are in ADAMS, complete SUNSI review by the appropriate subject matter expert(s) by the 6th working day after the document date (5 full working days) (For additional information on the General Release Policy, See MD 3.4, "Publications, Mail, and Information Disclosure Release of Information to the Public, Part IV - Policy on Timing the Release of Documents to the Public").**
