**PLEASE CONFIRM RECEIPT OF THIS REQUEST FOR ADDITIONAL INFORMATION BY RETURN EMAIL**

Mr. Berkley,

This email is in response to the request by Camden-Clark Memorial Hospital Corporation (CCMHC) to add four authorized users and remove Andrew Simays III, MD. In order for us to continue our review we need the following additional information:

You request the addition of Showri Madan Manohar Karnam, MBBS for use of 10 CFR 35.200 materials. The subject of MBBS has come up before and NRC HQs has found it acceptable if the physician was licensed to practice medicine in the state they were working and were board certified. If they cannot achieve these, then they likely have to repeat part of their medical training in the U.S.

Please provide documentation showing Showri Madan Manohar Karnam was licensed to practice medicine in the state he was working and was certified by the Certification Board of Nuclear Cardiology.

We will continue our review of your request upon receipt of the requested information. Please submit your response within 30 days to [Robert.gallagher@nrc.gov](mailto:Robert.gallagher@nrc.gov). Please contact me at (610) 337-5182 with any questions.

Regards,
