Summary of Meeting:

The NRC's Office of the General Counsel summarized the ITAAC hearing processes for VEGP Units 3 and 4. The ITAAC hearing processes for these units are associated with NRC findings under Title 10 of the *Code of Federal Regulations* (10 CFR) 52.103(g) on whether the acceptance criteria in the VEGP Units 3 and 4 combined licenses are met. The presentation provided background information on ITAAC, an overview of the hearing process, requirements for hearing requests, and a tentative timeline for implementing the hearing process for VEGP Unit 3. The presentation also provided an overview of other public participation processes prior to operation, including those governed by 10 CFR 52.103(f), 10 CFR 2.206, and 10 CFR 2.802. Finally, the presentation identified sources of information related to ITAAC hearings, the 10 CFR 52.103(f) process, and VEGP Units 3 and 4.

The staff provided opportunities for questions from the public at several times during and at the end of the presentation. There were no questions from the public.
