Dear Briana,

The subject Section 7 formal consultation (reinitiation) has been assigned to me. The project has been logged into the new consultation tracking system known as ECO. The ECO reference # for this project is as follows:

SERO-2019-03494

Please reference this # in all project-related correspondence. The project was just assigned to me today, so I have not yet reviewed it for completeness. If I need additional information, I will let you know.

Kind regards,
Audra
