Dear Ms. Gryglak:

In response to your email of November 18, 2019, please add the following commitment to our NRC Form 313 - Application for Materials License for Arch Cancer Center: "We have developed and will implement and maintain written procedures for sealed sources leak testing that meet the requirements of 10 CFR 35.67".

If you have any questions, please free to contact Mr. Kline at 505-980-1314 or ed@uscancertherapies.com.

Thank you for reviewing this additional material. We look forward to your response.

Sincerely,

David E. Bryan, MD
