Subject: **Licensee Response for to 06-01781-08, 616126**

Reference: None

Enclosure: (1) Signature Authorization Letter as authorized by the VP of Quality

1. In response to item 1, per NUREG-1556 Volume 2, Rev. 1, Item 8.13, Electric Boat has authorized Mr. Fredrick Barth to sign official documents its behalf with the USNRC [Enclosure (1)].
2. In response to item 2, please add Sealed Source (QSA Global Inc., Model A424-14 to line Items 7C of license number 06-01781-08 and increase Item 8C to 880 curies.
3. In response to item 3, please disregard EB's request to add Mr. Andrew Hart as the RSO site delegate. Mr. Plante will remain in the position as EB's RSO for license number 06-01781-08.
4. Additionally, EB wishes to delete line items 6A, 7A, 8A, & 9A, and 6E, 7E, 8E, & 9E from the authorized source and device list as EB no longer possesses the item on line E, and never took possession of items authorized by line A.

Any questions related to the license amendment request should be directed to *Jeffrey Plante at 860-908-2300 or via e-mail at jplante@gdeb.com*.

Thank you for your time and consideration.
