

**REQUEST FOR ADDITIONAL INFORMATION**  
PENNSYLVANIA STATE UNIVERSITY  
SNM-95, Docket 07000113

Please provide the following information:

Organization and Administration

Dr. Lora Weiss provided a letter identifying herself appointed as the senior university official responsible for the safe use of radioactive material. Please provide:

- Documentation in support of that appointment, such as a curriculum vitae or a letter of appointment, identifying information, such as her education, experience, and citizenship as required by Title 10 of the *Code of Federal Regulations*, Part 70.22(a)(1).
- A chart which identifies the organizational relationship of the senior university official for the use of radioactive material to university management and to the office of the Radiation Safety Officer.
