Dr. Gadziala;

This refers to your letter dated July 11, 2019, regarding replacing your current method of financial assurance for decommissioning with a decommissioning funding plan and financial assurance instrument specific to your locations of use. Please provide the following additional information:

1. The hourly rates contained in Table 14-1 appear to be the hourly rates for job classes of personnel working for Chase Environmental Group, Inc. (Chase). Since Chase may not be performing the decommissioning of your facility, please submit a comparison of the rates used by the U.S. Bureau of Labor Statistics [BLS; <http://www.bls.gov>] with those of Chase. You may use the BLS rates for West Virginia or whichever rate is higher.
2. Please confirm that the time to decommission both sites in a total of two days. If decommissioning each site takes two days, please change your tables and your estimate as appropriate.

We will continue our review upon receipt of the requested information. Please contact Robert Gallagher at the telephone number below or by email with any questions.
