SUBJECT: EXPIRATION OF THE CERTIFICATE OF COMPLIANCE
FOR THE EAGLE CASK, DOCKET No. 71-9287

Dear Sir:

Orano Federal Services LLC is the certificate holder for the Eagle Cask, CoC USA/9287/B(U)-85. This certificate is set to expire on January 31, 2020.

In 20 years since its first approval, Orano and its predecessor companies have not built or sold a package under this certificate. Since the CoC is a -85 vintage, no packages can be fabricated without NRC approval of an updated SAR.

For these reasons, Orano has decided to allow the certificate to permanently expire.

If you have any questions or comments please contact me at (253) 552-1321 or by email at: phil.noss@orano.group.

Very Truly Yours,

Orano Federal Services LLC
