Hello,

DEX action can be closed out for this item per the attached email response. The incoming, ML19312A256, can be profiled as non-sensitive, publicly available. The attached response should be included in ML19312A258, and can also be non-sensitive, publicly available as well.

Please let me know if you have questions.

Thank You,
Jess

Division Due Date: **N/A**

Cc: RidsNrrMailCenter.Resource@nrc.gov **when responding to all ticketed actions**

Tom Gurdziel. E-mail re: Was Something Overlooked

For Appropriate Action. NRR to determine if a response is needed. If response is appropriate, please be sure to include your response to the ADAMS (ML19312A258) and process accordingly. Note incoming (ML19312A256) must be made publicly available for immediate release in ADAMS per SECY. Lead Office to publicly release 24 hours after SECY's assignment. If the Lead Office thinks differently, please notify CRS. If it is determined the incoming should not be made public, please let OEDO know as soon as possible. NRR should ensure that all contents for this ticket, that are in ADAMS, complete SUNSI review by the appropriate subject matter expert(s) by the 6th working day after the document date (5 full working days) (For additional information on the General Release Policy, See MD 3.4, "Publications, Mail, and Information Disclosure Release of Information to the Public, Part IV - Policy on Timing the Release of Documents to the Public").
