Subject: Oklo Inc., Project 99902046  
Oklo Inc. Safety Case and External Hazards Slides

Oklo is submitting to the NRC the Oklo Inc. Safety Case and External Hazards Slides as Enclosure 2 to this letter. These slides are for an upcoming meeting on the topic.

Oklo requests that the Enclosure 2, where indicated as confidential and proprietary utilizing a box in the top right corner and brackets around the information, be withheld from public disclosure pursuant to 10 CFR §2.390 due to including detailed confidential and proprietary business information and strategy. Also enclosed is Oklo's affidavit attesting to the proprietary nature of the information enclosed, as marked with a box on each page containing proprietary information, and with bracketing.

If you have any questions or need any additional information, please contact us at [regulatory@oklo.com](mailto:regulatory@oklo.com) or (650) 550-0127.

Sincerely,

A handwritten signature in black ink, appearing to read "Caroline Cochran", written in a cursive style.
