

MEMORANDUM

DOCKETED
USNRC

FOR THE RECORD

'98 FEB -3 P2:15

TO: All Parties to the Matter of HRI
Docket No. 40-8968-ML

OFFICE OF SECRETARY
RULEMAKINGS AND
ADJUDICATIONS STAFF

FROM: Mervyn Tilden
Petitioner to Intervene

RE: January 16 and 20 (1998) Filing Dates

For the Record:

On the 16th and 20th of January, 1998, I, Mervyn Tilden, a Petitioner to Intervene in the Matter of Hydro resources, Inc. [Docket No. 40-8968-ML] did in fact make every extended effort to file "on time", my Second Amended Petition and Response to Eastern Navajo Allottees Association. On January 20th, 1998, at approximately 3:22 PM, I did talk to and coordinate with Mr. Emile Julian, Nuclear Regulatory Commission (NRC), Adjudication and Rulemaking, and he *confirmed the receipt of and acceptance into the record*, both of my timely filings.

However, I had the most difficult time trying to get anyone else at the NRC to assist me with my filing. It was most frustrating but I imagine that this is part of the intent of the "rules". I must protest this disappearance of the NRC Staff when they are most urgently needed in these matters.

Signed this 23rd Day of January, 1998

Mervyn Tilden, Petitioner to Intervene
in the Matter of HRI [40-8968-ML]
