Business Cellphone No. 860-992-4608

NRC Representative Name/Title: Steven R. Courtemanche/Health Physicist

Subject: Status of Rhode Island License

Discussion: (10:00) I left a message on Mr. Hylas' voice-mail to call me back concerning the status of the Rhode Island license. (13:15) Mr. Hylas stated that Rhode Island thought they were filing for reciprocity rather than a license. The process has turned out to be more drawn out than originally supposed. Mr. Hylas stated that he would be talking to the project manager to determine if the license is needed since the licensee has only used gauges in Rhode Island twice. Mr. Hylas indicated that he would get back to me next week regarding the license. On a side note: he indicated that they are expected to be at the Waterbury address through February 2020.

Action Required: Prepare license for issuance but await word.
