Attachments: 9215.doc; Letter 9215.docx; SER.R16 9215.docx

Chris,

I concur. I added page nos. to the letter and also checked the ML#'s. I made a few minor edits on the SER; no changes to the CoC but I verified that the header was consistent throughout and reviewed the changes where indicated by the margin lines and also the registered users list has been updated.

Thanks
Sandra

Subject: Concurrence Package Review

Please review the attached concurrence package and provide comments by noon on Thursday. Also, please confirm that the attached registered users list is the most up-to-date.

Thanks, Chris
