Subject: Questions about ANP

Discussion: The licensee requested to add and ANP using the training pathway. The licensee submitted a 313A (ANP) and a form from University of Arkansas for Medical Sciences and The University of New Mexico Health Science Center. According to the 313A, the didactic/classroom portion appeared to be concurrent with the supervised practical experience. The certificate, however, notes that the education portion started in 2016 while the form states 2019. I contacted Mr. Gadziala to ask when the didactic training occurred. He stated that it was completed well before the proposed ANP stated gaining clinical experience.
