Subject: [External_Sender] RE: NRC License No. 06-35037-01 - Request for Consent to Transfer of Control of Radioactive Materials License

Good Afternoon Mrs. Janda,

I hope you had a nice holiday.

Please be advised, Veterinary Specialists of Connecticut, P.C. DBA Veterinary Cancer Center is withdrawing our request for transfer of control for Radioactive Materials License No. 06-35037-01. We will be terminating the license in the next few weeks and will provide the documentation necessary for termination approval.

If there is additional information required, please contact me anytime 609-216-2922.

Best Regards,
Christine

Safety is a culture, not a program.

It takes the combined commitment and participation of the entire organization to create and maintain an effective safety culture.
