

BEFORE  
THE PUBLIC SERVICE COMMISSION OF  
SOUTH CAROLINA

Parte:

JOHN C. RUOFF,  
Petitioner,

In Re:

APPLICATION OF SOUTH  
CAROLINA ELECTRIC & GAS  
COMPANY FOR APPROVAL OF  
A GENERAL INCREASE IN  
RATES AND CHARGES

PETITION  
TO  
INTERVENE

DOCKET NO. 81-72-E

COMES NOW Petitioner, John C. Ruoff, and prays this Commission grant leave unto Petitioner to intervene in the above-captioned proceeding with full rights as a party of record therein including the right to present evidence, to make procedural motions, to confront and cross-examine evidence tendered by other parties, and to except from decisions of the Commission adverse to his interest, as may be necessary, and in support thereof would show:

1. That Petitioner is a residential customer of Applicant South Carolina Electric & Gas Company (hereinafter SCE&G).

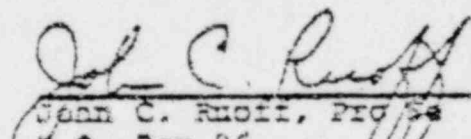

2. That Petitioner is informed and believes that approval of the increases proposed by the Applicant will subject Petitioner to direct and personal injury in the form of higher rates for various forms of service from the Applicant by substantially increasing the cost for residential electric

service, and by increasing the cost of commercial and industrial service, which Petitioner is informed and believes will be passed on to Petitioner in the form of higher prices for goods and services.

3. That Petitioner is informed and believes that the Commission has determined to consider the adoption of the electric rate-making standards established by the Public Utilities Regulatory Policies Act (PURPA) of 1978 during this proceeding and that Petitioner has an interest in the adoption of these standards including implementation of a "lifeline rate" for essential residential services.

WHEREFORE, Petitioner respectfully prays the Commission:

1. Grant unto Petitioner leave to intervene in this proceeding with full rights as a party of record,
2. Set this matter down for public hearing at the earliest possible opportunity,
3. Adopt the federal standards established under Sections 111 and 114 of PURPA,
4. Deny the Application of SCE&G for increased rates and charges,
5. Grant unto Petitioner, John C. Ruoff, such other and further relief as may be just and proper.
