In support of the NRC structural audit of Grand Gulf Nuclear Station, a meeting was held between NRC, Bechtel and EG&G (Idaho) at Bechtel's offices in Gaithersburg, Maryland on May 27, 1981. Additional information from Bechtel was requested by NRC at this meeting, and a portion was submitted to NRC directly by Bechtel as the agent for Mississippi Power and Light Company (MP&L) by Bechtel's letter VB-81/0370.

The remaining requested information is confidential and proprietary to Bechtel Power Corporation and, therefore, is being submitted to you directly by Bechtel as the agent for Mississippi Power and Light Company (MP&L).

Under terms of our affidavit and cover letter, D. E. Huffman, Bechtel Power Corporation, to Edward C. Shomaker, NRC, dated June 6, 1980, the attached information is of the type described in the affidavit and cover letter and should be treated as confidential and proprietary for the same reasons as the prior submitted information.
