U. S. Nuclear Regulatory Commission
Office of Inspection and Enforcement
Region IV
611 Ryan Plaza Drive, Suite 1000
Arlington, Texas 76011

Reference: Docket No. 50-285

Dear Mr. Seyfrit:

Under separate cover on April 2, 1981, the following documents were submitted:

1. Iowa Emergency Plan, issued March 2, 1981 (13 copies).

This document was revised in conformance with FEMA-REP-1 and officially supersedes the rough draft copy submitted to the Nuclear Regulatory Commission on January 2, 1981.

2. Washington County (Nebraska) Radiological Emergency Response Plan for Nuclear Power Plant Incidents, issued January 1981 (13 copies).

This document was revised in conformance with FEMA-REP-1 and officially supersedes the January 1980 edition submitted to the Nuclear Regulatory Commission on January 2, 1981.

Three copies of each plan have been forwarded to your office and ten copies were provided to the Office of Nuclear Reactor Regulation.

The Emergency Plans for Harrison County (Iowa) and Pottawattamie County (Iowa) have not been developed as of this date. These plans will be provided immediately after completion.

Sincerely,

W. C. Jones
Division Manager
Production Operations
