

UNITED STATES OF AMERICA
NUCLEAR REGULATORY COMMISSION
before the
ATOMIC SAFETY AND LICENSING BOARD

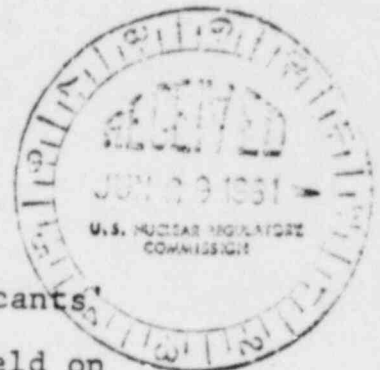

In the matter of

BOSTON EDISON COMPANY, et al.
(Pilgrim Nuclear Generating
Station, Unit 2)

Docket No.
50-471

ANSWER OF ALAN AND MARION CLEETON TO THE MOTION
OF THE APPLICANTS FOR AN ORDER SCHEDULING FURTHER
PROCEEDINGS WITH RESPECT TO EMERGENCY PLANNING

The Cleetons are in agreement with the Applicants' proposed schedule with respect to the hearings to be held on emergency planning, as such schedule is proposed to be modified as set forth in the answer of the Commonwealth of Massachusetts filed with this Board on June 9, 1981.

The Cleetons further state that they also do not agree that the purpose of the final pre-hearing conference will be "to rule on admissibility of various contentions", the Board having previously accepted the joint Commonwealth/Cleeton contentions with respect to the emergency planning issue.

Respectfully submitted,

William S. Abbott
William S. Abbott, Esquire
