In the Matter of
NORTHERN INDIANA PUBLIC SERVICE COMPANY
(Bailly Generating Station, Nuclear-1)
Docket No. 50-367 (Construction Permit Extension)

Gentlemen:

We have received a copy of the June 10, 1981 Order (granting extensions) in the above-captioned matter, which provides, inter alia, "That the motion of PCCIs for an extension of time until June 8, 1981 to respond to NIPSCO's second set of interrogatories is granted."

We assume that the provision contains a typographical error and that "June 8" should be "July 8", which is the date

to which PCCI's motion sought an extension. We will operate on our assumption that it is a typographical error and that the requested extension to July 8 has been granted, unless we are informed to the contrary.
