Dear SIRs:

AS A RESIDENT OF PENNSYLVANIA
I CERTAINLY AM CONCERNED ABOUT
NUCLEAR REACTORS ESPECIALLY AFTER
THREE MILE ISLAND.

I ALSO LIKE TO INVEST
IN ~~OFFICES~~ UTILITY STOCK AND HAVE
BEEN DOING SO IN NON-NUCLEAR
UTILITIES. MY BROKER AND I
HAVE DISCUSSED THIS IN LENGTH.

MY QUESTION IS THIS.

IF THE WORST SHOULD HAPPEN
(I BELIEVE A TOTAL MELTDOWN)
HOW MUCH OF AN AREA WOULD
BE AFFECTED AND HOW? THIS
COULD BE CONSIDERED AN INVESTMENT
QUESTION.

GREGORY GENTILE
