William J. Cahill, Jr.
Executive Vice President

U. S. Nuclear Regulatory Commission
Attn: Document Control Desk
Washington, D. C. 20555

SUBJECT: COMANCHE PEAK STEAM ELECTRIC STATION (CPSES)
DOCKET NOS. 50-445 AND 50-446
TRANSFER OF OWNERSHIP INTEREST

REF: Amendment 11 to Construction Permit No. CPPR-126
For CPSES Unit 1 and Amendment 10 to Construction
Permit No. CPPR-127 For CPSES Unit 2 dated
December 8, 1989

Gentlemen:

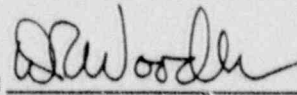

The referenced amendments to the referenced Construction Permits for CPSES authorized the transfer of the 2-1/6% ownership interest from Tex-La Electric Cooperative of Texas, Inc. to Texas Utilities Electric Company. Each amendment states that it

is effective as of the date of the completion
of the transfer of the ownership interest herein
described.

This is to confirm that the transfers authorized by the referenced amendments were completed on February 1, 1990.

Sincerely,

William J. Cahill, Jr.
