MEMORANDUM TO: Chairman Svinicki

Commissioner Caputo
Commissioner Wright

FROM: Russell E. Chazell 
Federal Advisory Committee Management Officer

SUBJECT: RENEWAL OF ADVISORY COMMITTEE ON THE MEDICAL USES
OF ISOTOPES (ACMUI) CHARTER

The Federal Advisory Committee Act requires that advisory committee charters be renewed every 2 years. The current ACMUI Charter expires on March 1, 2020. The attached charter updates the current charter to revise, in Section 7, the current FTE and cost estimates for the next 2 years as recommended by the staff and to make other editorial changes recommended by the General Services Administration Committee Management Secretariat (CMS) in order for this charter to comport with CMS charter guidance.

Enclosed are redline-strikeout and clean versions of the draft charter. The redline version represents the changes made from the current charter. The charter was last renewed in March of 2018.

Please provide your concurrence of the charter's renewal.
