LICENSE NAME AND NUMBER(S) St. Louis Heart and Vascular, P.C. License No. 24-32384-01	MAIL CONTROL NUMBER(S) 616243	
SUBJECT Pending NRC License Amendment Request - Additional Information Required		
SUMMARY AND ACTION REQUIRED (IF ANY) <p>This is a record of the conversation that occurred between Laura Cender and Candace Candela, of St. Louis Heart & Vascular, P.C. on Nov. 26, 2019 regarding the amendment request dated Oct. 17, 2019.</p> <p>You requested to amend your NRC license to list Dr. Robert Armbruster, M.D. as an authorized user for 10 CFR 35.200 materials. To support your request you submitted an Illinois Agreement State materials license listed Dr. Armbruster. As this license limits the use of material to exclude generators and gases additional information will be required to list Dr. Armbruster as an authorized user.</p> <p>Please provide documentation showing that Dr. Armbruster has had work experience and training to be authorized for all of 10 CFR 35.200 per the requirements of 10 CFR 35.290.</p> <p>This may be met by providing and of the following:</p> <ol style="list-style-type: none">1.) A copy of an NRC recognized board certification for Dr. Armbruster that is listed on the NRC Medical Uses Licensee Toolkit; or2.) A copy of an NRC license or an Agreement State license listing Dr. Armbruster as an Authorized User for 10 CFR 35.200 with no exclusions; or

Hello Candace,

Thank you for taking time out of your morning to discuss your pending NRC license amendment request. As we discussed, a record of our conversation explaining the additional information required is attached.

Please ensure your response includes an appropriately signed and dated cover letter. You may submit your response to me directly via email, or to our regional office via fax to 630-515-1078 or via regular mail. Please submit your response by no later than December 20, 2019.

I can be reached at 630-829-9712 if you have any questions.

Thank you,
Laura Cender
