Good afternoon Chris. We would like to request a public meeting to discuss the filing based upon your latest review response. My apologies for the delayed response but the holiday made things more strained than usual. Please advise on our options for meeting dates and times and locations/teleconference. Thank you.

Mr. Weigel,

Do you plan to request a public meeting to discuss the 2.206 Petition submitted by Oceansiders Against San Onofre Corruption? My December 20<sup>th</sup> e-mail requested a response to this question by today (January 6<sup>th</sup>). Please advise as soon as possible.

Thanks, Chris Allen
