Honorable William D. Paton  
Chief NRC Legal Staff  
% Nuclear Regulatory Commission  
@ Holiday Inn of Midland  
Midland, Michigan

Dear Mr. Paton,

It is my expressed opinion that the meeting room assigned to the NRC for their use on Monday 27th of April, -- [now located on the second floor room 256] is and does not conform to a meeting area that can be classified as barrier free.

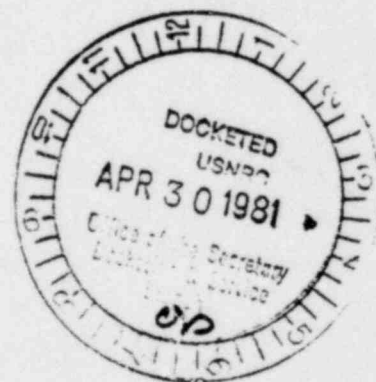

It would be expected that an organization appointed to represent the interest of it's citizens would select a public meeting room in conformance with government regulations.

The Holiday Inn of Midland does not have an elevator serving this area.

Sincerely,

Adam Paul Banner
