Docket No. 50-293

Dear Sir:

In accordance with the provisions of 10 CFR 50.54(p), please find enclosed revision pages for NRC assigned copies 1 through 5 of the Pilgrim Nuclear Power Station Security Force Training and Qualification Plan. This revision incorporates changes initiated to provide more accurate crucial task details and assignments, and a more realistic implementation schedule. The changes were subject to careful analysis and do not decrease our commitments to the requirements of 10 CFR 73.55, Appendix B.

An explanatory cover sheet is included with each set of revision pages.

I respectfully request your cooperation in ensuring proper disposal of those pages which are being replaced.

Pursuant to Section 2.790(d) of 10 CFR Part 2, we are requesting that you withhold the information provided in enclosed revisions from public inspection. Withholding from public inspection does not affect the right, if any, of persons properly and directly concerned with the project to inspect the information.

Very truly yours,

Avmorisi
