Re: Draft Environmental Statement
Waterford 3 SES
St. Charles Parish, Louisiana

Dear Mr. Miraglia:

My staff has reviewed the above-referenced document and we are pleased to note that your agency is seeking determinations of eligibility for cultural areas 3, 4, and 5. We concur that these areas should be protected from major disturbance during the determination process.

We will be happy to comment on the effect of this project on those areas, if any, that are determined eligible for listing in the National Register of Historic Places during the determination of effect procedure, as outlined in Federal Regulations 36CFR800.

If you have any questions, please contact my staff at the Division of Archaeology and Historic Preservation.

Sincerely,

Robert B. DeBlieux
