Dear Mr. Keppler:

DOCKET NOS. 50-266 AND 50-301
RESUBMITTAL OF LICENSEE EVENT REPORTS
POINT BEACH NUCLEAR PLANT, UNITS 1 AND 2

We are hereby resubmitting Licensee Event Reports 81-005/03L-0 for Point Beach Nuclear Plant Unit 1 and 81-003/01T-0 for Point Beach Nuclear Plant Unit 2. These reports were originally signed and mailed to your office on June 5 and June 4, 1981, respectively. Due to a clerical oversight, both the LER forms and the transmittal letters were sent to you undated. In addition, the Resident Inspector's copy of these LER's was not distributed. We have inserted the proper dates on the copies of the reports and transmittal letters attached to this letter. We trust this error has not caused you any great inconvenience. Please notify us if you require any further action on our part.

Very truly yours,

C. W. Fay, Director
Nuclear Power Department
