Mr. Harold Denton  
Office of Nuclear Reactor Regulation  
U.S. Nuclear Regulatory Commission  
Washington, D.C. 20555

Dear Mr. Denton:

Allens Creek Nuclear Generating Station  
Unit 1  
Docket No. 50-466

This letter documents the position of Houston Lighting & Power Company on the incorporation of core thermocouples in the Allens Creek design. We understand that meetings are scheduled in the near future that should lead to a resolution on this matter for the La Salle plant.

Therefore, in order to resolve this item for the Allens Creek plant, HL&P will comply with the final resolution of the core thermocouple issue that is determined for the La Salle plant.

Very truly yours,
