Director
Division of Reactor Licensing
U.S. Nuclear Regulatory Commission
Washington, D.C. 20555

Dear Sir:

Enclosed are twenty copies of the recently completed Environmental Report for the Armed Forces Radiobiology Research Institute (AFRRI) TRIGA Reactor Facility under License R-84. This report is submitted for review and incorporation into Docket No. 50-170 as part of the AFRRI Research Reactor relicensing effort.

This Environmental Report was prepared under contract by Dames and Moore, Engineer Consultants, in accordance with 10 CFR Parts 50, 51, and 2.

It is hoped that this report together with the Environmental Impact Appraisal Data and the Safety Analysis Report, already provided, will provide an adequate basis for your environmental impact appraisal.

Should you have any questions or require further information, please contact Major Ronald R. Smoker, Chief, Radiation Sources Division at 295-1048/1096.
