Washington in the case of Washington State Building & Construction Trades Council v. Spellman, No. C-81-154 RJM. The decision strikes down as "un-constitutional and thus unenforceable" the Washington initiative precluding the burial of non-Washington low-level radioactive wastes in the State of Washington after July 1, 1981. A copy of the court decision is enclosed for the convenience of the Board and the parties.

Respectfully submitted,
