Re: In the Matter of Northern Indiana Public Service
Company (Bailly Generating Station, Nuclear-1)
Docket No. 50-367
(Construction Permit Extension)

Dear Mr. Vollen:

I have received the Notice of Depositions of Allen H. Petersen,
Forrest G. Hiple, and Carl R. Kulawinski which was filed on
behalf of "Porter County Chapter Intervenors" on June 29, 1981.

This is to advise you that I have instructed Messrs. Petersen,
Hiple and Kulawinski that they are not to appear on the dates
stated in the Notice.

As you know, NIPSCO has pending before the Licensing Board a
Motion for Establishment of Schedule. That Motion suggests
inter alia that discovery be closed on July 31, 1981. At this
time, we are not prepared to schedule depositions for dates
subsequent to July 31. We urge you to suggest an earlier date
within the three weeks remaining before July 31.

Yours very truly,

EICHHORN, EICHHORN & LINK
