SPRING CITY, PA.

DEAR SIR:

I WROTE A LETTER TO JOHN STAUFFER, THE SENATOR OF PA.
HE STATED THAT HE HAD NO VOICE IN DETERMINING WHETHER THE
LIMERICK POWER STATION IS TO BE COMPLETED. HE SUGGESTED THAT
I REGISTER MY PROTEST WITH YOU.

I LIVE QUITE NEAR THE PLANT, NOW I ASK YOU DO YOU THINK
THAT IT IS WISE TO BUILD SUCH A DANGEROUS FACILITY IN SUCH
A POPULATED AREA. DID YOU EVER TAKE IT INTO CONSIDERATION ABOUT
WHAT WOULD HAPPEN IF LIMERICK HAD A LEAK, AND SOME RADIATION
GOT INTO THE AIR, ALL OF THE PEOPLE THAT WOULD HAVE CANCER.

MY OWN THOUGHT, I THINK IT'S JUST PLAIN STUPID TO TAKE
THE CHANCE WITH SO MANY LIVES AT STAKE.

THANK YOU

THE STOP LIMERICK
COMMITTEE IN BIRCHRUNVILLE
CO-ORDINATING DIRECTOR
CRAIG RIGGS.
