Response to Generic Letter 81-14
Information on Auxiliary Feedwater System Seismic Design

In a letter dated February 10, 1981 from Darrell G. Eisenhut, Director, Division of Licensing, USNRC (Generic Letter 81-14), we were requested to provide information related to the seismic qualification of the Prairie Island Auxiliary Feedwater Systems.

The requested information is contained in the attached report, "Seismic Qualification of Auxiliary Feedwater Systems (NRC Generic Letter No. 81-14)." Please contact us if you have any questions related to the information we have provided.
