July 16, 1982

Darrell G. Eisenhut, Director  
Division of Licensing  
Office of Nuclear Reactor Regulation  
U.S. Nuclear Regulatory Commission  
Washington, DC 20555

Dear Mr. Eisenhut:

Subject: Privacy and Proprietary Material in Emergency Plans  
Cooper Nuclear Station  
NRC Docket No. 50-298, DPR-46

Reference: 1) Generic Letter No. 81-27 dated July 9, 1981  
Same Subject

Reference 1 requested that Nebraska Public Power District give notification prior to July 31, 1981, concerning that information which should be deleted from previously submitted emergency plans or procedures to preclude public disclosure. The District respectfully requests that all telephone numbers listed in Attachments 'B', 'L', and 'O' of Cooper Nuclear Station's Emergency Procedure 5.7, CNS Emergency Plan Implementation, be deleted prior to placement in the Public Document Rooms. The most recent submittals containing revised plans and procedures were sent under cover letters dated January 2, 1981 and April 21, 1981.

Should you have any questions regarding this matter, please contact me.

Sincerely,

Jay M. Pilant  
Director of Licensing  
and Quality Assurance
