RE: STNP Licensing Hearings

Dear Chairman Palladino:

I am vitally interested in the hearings regarding South Texas Nuclear Project as are thousands of other Austinites. It is absurd to say that it would be inconvenient to have those hearings in Austin, when we are paying 16% of the price of that plant. I strongly, firmly, and emphatically request that you hold the hearings in Austin, Texas.

Thank you for your consideration.

Sincerely,

BOB BINDER
